Professional Summary

Computer Science graduate with experience in full-stack web development, machine learning, and database management. Skilled in building web applications through academic and personal projects.

Finalist and Special Citation Awardee for the award-winning thesis Project LIF, recognized by the National Academy of Science and Technology (NAST).

Education

President Ramon Magsaysay State University - Main Campus

Iba, Zambales

Bachelor of Science in Computer Science

2026

Academic Distinction

Best Thesis

Best in Computer Networking

Service Awardee

Zambales National High School –

Iba, Zambales

Senior High School - Humanities and Social Sciences (HUMSS)

2022

With Honors

Junior High School - Special Program in Foreign Language (SPFL)

2020

With Honors

Work Experience

Amerasia International Terminal Services Inc.

Subic Bay Freeport Zone

On-the-Job Training (OJT) – Junior Web Developer

January 2026 – April 2026

- Co-developed an HR Information System to streamline employee data management, attendance tracking, and HR processes.
- Assisted in the development of a Fuel Monitoring System for tracking fuel usage, logs, and operational efficiency.
- Collaborated with the development team to design, test, and implement system features and improvements.
- Enhanced and optimized the company's existing website, improving functionality, performance, and user experience.
- Conducted software testing and debugging to identify and resolve system issues, ensuring application reliability and performance.
- Assisted in database design, maintenance, and data management to support system operations.

Skills

Languages: Python, JavaScript, TypeScript, HTML, CSS, SQL, C, C++, Java, VB.NET

Frameworks & Libraries: Flask, Django, React, FastAPI, Bootstrap

Databases & Tools: PostgreSQL, SQLite, SQL | Git, GitHub, PgAdmin

Specializations: Full-Stack Web Development, Machine Learning, Database Management

Certifications

- Kaggle Machine Learning (2025)
- Harvard University's CS50x: Introduction to Computer Science (2024)
- Google's Cybersecurity Course: Google Career Certificates (2024)
- Youth Chinese Test HSK 1 – 4 (2019)

Projects

AI / Machine Learning Projects

- Project LiF: Lipreading Learning Tool, AI Attendance System, AI Finance Tracker

Information Systems

- HR Information System, Fuel Monitoring System, Employee Management System

E-Commerce & Business

- E-Commerce (Lemonaddie), Online Library Shop

CS50W Projects

- Wiki, Auction, Mail, Network

Web Development Projects

- Triple Q Construction Website, Philippines Tourism Website, Memoria Photography Studio, Smart Timer, Smart Tasks Tracker, Journal Website, Random Spin Wheel

Other Projects

- **User Interface Clones:** Facebook, Instagram, LinkedIn, X, Youtube, Spotify, Amazon
- **Static Websites:** PRMSU CCIT Website, PRMSU SBO Website, Blured AI (Presented to IRCITE 2024)
- **Application:** POS System (VB.NET)

Research

- **Project LiF: A Lipreading Learning Tool for Basic Filipino Words using 3D Convolutional Neural Network and Bidirectional Neural Network**
Team Leader, Lead Developer, Lead Researcher, 2025
- **Readiness of Senior High School Students in Online Learning Modality Amidst Covid-19 Pandemic**
Lead Researcher, 2022

Competitions

National Academy of Science and Technology – Magsaysay Future Engineer / Technologist Awards

Finalist, Special Citations Award | 2025

International Research Conference on Information Technology – IT Marketing

Presenter | Competitor | 2025

Regional Assembly on Information Technology Education – Quiz Bee

Competitor | 2024

TechnoFest Quiz Bee – College of Communication and Information Technology

Champion | 2024

TechnoFest Programming Challenge– College of Communication and Information Technology

Competitor | 2023

Division Level Competition: Chinese Mandarin Quiz Bee

Competitor | 2019

Leadership Experience

Association of Students for Communication and Information Interchange (ASCII)

Vice President, 2023

Peer Facilitators Organization

Member, 2023

Supreme Student Government (PRMSU – Main Campus)

Legislative Officer, 2024

College of Communication and Information Technology – Student Body Organization

President, 2024

Association of Students for Communication and Information Interchange (ASCII)

Sergeant at Arms, 2025

College of Communication and Information Technology – Student Body Organization

4th Year Representative , 2025

Seminars and Webinars

International Research Conference on Information Technology (IRCITE)

Participant | 2025

Iba Student Leaders' Assembly (ISLA)

Facilitator | 2025

CCIT Women's Month Celebration: WE for Gender Equality and Inclusive Society

Proponent, Facilitator | 2025

6th Student Leaders' Congress 2025: Building Innovative, Nationalistic, and Humane Individuals (BINHI)

Participant | 2025

SMART Skills: Skills Mastery and Readiness in Technology

Proponent, Facilitator | 2025

Project MAGKAMIHA: Strengthening Student Leadership and Governance

Participant | 2025

Unleashing Potentials: Enhancing Leadership by Empowering Growth and Unity

Participant | 2024

Regional Assembly on Information Technology Education (RAITE)

Participant | 2024

Exploring JavaScript Essentials Webinar

Proponent, Facilitator | 2024

Navigating the Artificial Intelligence Frontier: Strategies, Tools, and Ethics in Digital Era

Participant | 2024

Philippine Association of Campus Student Advisers (PACSA)

Participant | 2024

Unleashing New Leadership and Development (UNLAD)

Facilitator | 2024
